

# XXXIII Dynamics Days US

## January 2-5, 2014

We invite you to join us at the Dynamics Days US 2014, hosted by the Center for Nonlinear Science. The conference will take place on the campus of Georgia Tech and will cover new developments in modeling, mathematical foundations, applications, and experiments in all areas related to dynamical systems.

### Invited Speakers:

<b>Igor Aronson</b>	Argonne National Laboratory
<b>Annalisa Bracco</b>	Georgia Tech
<b>Paul Bressloff</b>	University of Utah
<b>Cristel Chandre</b>	Centre de Physique Théorique, Marseille
<b>Elizabeth Cherry</b>	Rochester Institute of Technology
<b>Noah Cowan</b>	John Hopkins University
<b>Eva Kanso</b>	University of Southern California
<b>Daniel Koditschek</b>	University of Pennsylvania
<b>Jonathan Mattingly</b>	Duke University
<b>James Meiss</b>	University of Colorado
<b>Peter Mucha</b>	University of North Carolina
<b>Ilya Nemenman</b>	Emory University
<b>Itamar Procaccia</b>	Weizmann Institute of Science
<b>Erin Rericha</b>	Vanderbilt University
<b>Arnd Scheel</b>	University of Minnesota
<b>Stiven Schiff</b>	Penn State
<b>Yohannes Shiferaw</b>	CA State Univ., Northridge
<b>Josh Socolar</b>	Duke University
<b>Joshua Weitz</b>	Georgia Tech

Registration opens	<b>Oct 8, 2013</b>
Deadline for abstract submissions	<b>Nov 13, 2013</b>
Notification of abstract decisions	<b>Nov 27, 2013</b>
Deadline for registration	<b>Dec 18, 2013</b>

**Location:** Clough Undergraduate Learning Commons room 152s
